

Community Paramedic Training Program

Become an advanced paramedic working to help patients increase access to primary and preventive care and decrease use of emergency departments.

The community-based program will train paramedics to operate in expanded roles to provide non-emergency health services and help identify patient needs for local services. The training will allow paramedics to apply for the Missouri Community Paramedic certification.

Attendees: Must have a paramedic certification or licensure.

The class consists of 60 class hours (lecture and lab) and 40 clinical hours (clinical sites, insurance and scheduling included). Class participants should complete clinical hours within six months of didactic completion.

CEU's-The course meets the requirements for Community Paramedic Certification for the state of Missouri (19 CSR 30-40.800).
